

Karl was born and raised in southwestern Wisconsin, that's where the different accent comes from. He has been cutting, planting and removing trees since for over 35 years. In 1988, he moved out to Tucson where he lives with his long-time love, daughter and his beloved pets. He loves the weather in Tucson and the friendly communities that he has become a part of. Karl founded his tree trimming service in 1992 and has been providing the best in tree removal, tree planting and tree maintenance ever since.

### **Mission**

Karl's mission is to fully satisfy all of his customers, while providing a helpful, reasonably priced and efficient service. He is a strong believer in mutual respect and prides himself on his fair business dealings. Karl strives to use his expertise in tree removal and planting to benefit the Tucson community.

## **Community Involvement**

Karl has been a member of the Tucson community since 1988 and he founded Karl's Tree Trimming Service in 1992. Karl believes in treating his customers and his community right and through his fairness and performance he has cultivated a number of loyal customers.

### **Karl Offers a Senior Discount**

### **Karl Works with Churches**

Sometimes we don't stop to think how much work, resources and time goes into maintaining a beautiful church. In Tucson, we are lucky to have many attractive churches. Karl works with many at a discounted rate to keep their trees as healthy as their congregations.

### **Karl Loves Animals**

Karl has many pets and he loves to help animals. He is locally known for saving kitties and cats

when they get caught up in trees, a service that the Fire Department will no longer provide. His bucket truck, which he usually uses for tree removals, gives him the ability to play superhero to a frightened cat. Next time you see him, ask about the kitty named 'Thomas'.

Karl also delivers eucalyptus leaves and bamboo to the elephants whenever the circus comes to town. Making sure that our entertainers are well-fed and cared for.
